

***Penjelasan:**

1. Sumber data saham scripless (dalam bentuk tanpa warkat) berasal dari Sub Rekening Efek (SRE) pada C-BEST. Adapun sumber data saham scrip (dalam bentuk warkat) berasal dari rekening warkat pada sistem eBAE.
2. Pada C-BEST, terdapat SRE yang telah terhubung Single Investor Identification (SID) maupun dari SRE yang belum terhubung SID.
3. Pada sistem eBAE, data berasal dari pelaporan oleh Biro Administrasi Efek (BAE) atau Penerbit Efek yang menyalenggarakan administrasi Efek sendiri (BAE inhouse) ke sistem eBAE. Pada sistem eBAE terdapat rekening warkat bagi investor yang telah memiliki SID dan rekening warkat khusus bagi investor yang belum memiliki SID.
4. Perhitungan kepemilikan dilakukan berdasarkan SID atau berdasarkan rekening bagi investor yang belum memiliki SID.
5. Dalam hal terdapat data investor yang belum memiliki klasifikasi Lokal atau Asing, hal tersebut dikarenakan kepemilikan saham scrip tersebut masih dicatatkan pada rekening warkat khusus pada sistem eBAE, dimana belum terdapat informasi mengenai detail Lokal atau Asing.
6. Perhitungan persentase atas saham dengan Hal Sura Multiple diperhitungkan dari jumlah kepemilikan sahamnya, bukan persentase hak suara.
7. Kebenaran data kepemilikan saham scripless adalah data kepemilikan yang terdapat pada Lembaga Penyimpanan dan Penyelesaian (LPP). Kebenaran data kepemilikan saham scrip adalah data kepemilikan yang terdapat pada Biro Administrasi Efek (BAE).
8. Data klasifikasi investor yang ditampilkan hanya untuk kepemilikan saham scripless, yang bersumber dari informasi terkini yang disampaikan oleh Pemegang Rekening KSEI berdasarkan hasil identifikasi dan verifikasi yang dilakukan atas data investor yang dikelolanya. Penetapan klasifikasi investor dilakukan oleh masing-masing Pemegang Rekening KSEI dengan mengacu pada definisi dan panduan klasifikasi investor yang telah disediakan oleh KSEI. Keakuratan maupun kesesuaian pada penentuan klasifikasi investor yang tersaji dalam laporan ini menjadi tanggung jawab masing-masing Pemegang Rekening KSEI yang melakukan proses klasifikasi tersebut.
9. Dalam hal terdapat pembaruan data atas laporan sebelumnya, maka akan dilakukan penyesuaian pada laporan periode tersebut.

***Disclaimer:**

1. Sources of scripless share data (shares in uncertificated form) originate from Securities Sub-Accounts (SRE) within the C-BEST System. Meanwhile, sources of scrip share data (shares in certificated form or scrips) originate from scrip accounts within the eBAE system.
2. Within C-BEST, there are SREs that are linked to a Single Investor Identification (SID) as well as SREs that are not yet linked to an SID.
3. Within the eBAE System, data is sourced from reports submitted by Registrars (BAE) or issuers managing their own securities (in-house Registrars). The system also maintains scrip accounts for investors who hold an SID, as well as special scrip accounts for investors who do not yet hold an SID.*
4. Ownership calculations are performed based on SID or based on Account numbers for investors who do not yet hold an SID.
5. If the investor data does not have a Local or Foreign classification yet, it is because the ownership of the scrip shares is still recorded under a special scrip account, in which information on Local or Foreign details is not yet available.
6. The percentage calculation for shares with Multiple Voting Rights is based on the number of shares held, not on the voting rights percentage.
7. The accuracy of scripless shareholding data is based on ownership data within the Securities Depository and Settlement Institution (LPP). Meanwhile, the accuracy of scrip shareholding data is based on ownership data within the Registrar (BAE).
8. The investor classification data in this report only for scripless shareholding, which derived from updated information provided by KSEI Account Holders based on verification conducted through the Know Your Customer (KYC) process on the investor data under their management. The determination of investor classification is carried out by each KSEI Account Holder with reference to the definitions and investor classification guidelines provided by KSEI. The accuracy and appropriateness of the investor classification presented in this report remains the responsibility of each KSEI Account Holder that performs the classification process.
9. In case of data updates for prior reports, adjustments will be applied to the reports of the relevant period.
